Honorable Graham Jack.

Please excuse the bother of this letter. You are the most powerful person I know. I'm in jail now on a case my lawyer says will get dropped. But in the mean time I'm here. I am a dialysis patient. This medical dept has completely ignored my diet needs; and schedule of meds. My machine cleans my blood so much, meds help so much. Keeping my diet up has a lot to do with my health. Because of my weak bones I need high protein, and for heart health, I need low phosphorus foods. When I get off treatment I am supposed to have a protein drink to put back what the machine took out (nutrients). I believe in paying for what you did. But not messing up what lil life I got left, that shouldn't be part of the deal. Can you please help me, I don't want to get worse. Thank you
